

NORTH CEDAR COMMUNITY SCHOOL DISTRICT
2019-20 EMERGENCY ROAD PLAN

1. If road conditions (snow, mud, etc.) force us to take the buses off the gravel roads, we will announce on the W.M.T., K.H.A.K., and K.M.A.Q. radio stations by 6:00 A.M., if at all possible, that the "Emergency Road Plan" is in effect. **As a rule, if we use the Emergency Road Plan in the AM it will also be used in the PM of that same day.**

This will mean: a) Buses/Suburban and Cars will run **Only** on hard surfaced roads; and b) pick-up times will be approximately as listed on the reverse side. (Please bring your student(s) to the most convenient pick-up site.)

2. The buses will arrive in the towns at the usual time in the morning. The students are to make sure they get on their regular shuttle bus. This must be done to avoid overloading the shuttles.
3. If we are on the Emergency Road Plan and are forced to dismiss early, the buses will make every effort to run the regular routes in order to get the students home safely. If it is impossible to run the regular routes on such a day, the affected students will be kept at school until the parents can be called and a decision reached on where these children should go.
4. An announcement by radio will be made that we are returning to the regular schedules, as soon as road conditions allow.
5. School cancellations due to weather will also be announced, if at all possible on the K.G.A.N., K.W.Q.C., K.W.W.L. and K.C.R.G.TV evening news broadcasts at 10 PM and/or the W.M.T., K.H.A.K., and K.M.A.Q. Radio Station news by 6:00 AM the next morning.
6. If you have any questions about the Emergency Road Plan, please call the Transportation Director's office at 942-3358. You may also contact Robert Johnson at (319) 538-1245 or your route drivers.

PLEASE KEEP THE SCHEDULE LISTED ON THE REVERSE SIDE IN A PLACE WHERE YOU CAN QUICKLY REFER TO THE TIMES. CALL YOUR BUS DRIVER IF YOU HAVE ANY QUESTIONS ON THE TIME.

(See reverse side)

**CHILDREN MAY BOARD THE BUS AT THE STOP
NEAREST TO THEIR HOUSE, EVEN IF IT ISN'T THEIR
REGULAR BUS.**

<u>Bus No. 26 – Driver: Jason Slater (Cell#515-451-1193)</u>	AM	PM
