

Dear Families:

Hi, my name is Jodie Regennitter and I am going to be teaching your child in the three year old preschool. I graduated from North Cedar in 2002. I also, graduated from Kirkwood Community College in 2005. Lastly, I graduated from Upper Iowa in 2008 with a B.A in Pre-K-3<sup>rd</sup> Grade. I live in Clarence with my husband Troy of 12 years and our dog Raelyne.

I have many wonderful experiences working with young children. This includes being a nanny for two summers. I have worked at different daycares. I have done many years of babysitting. I have worked for our district now many years being an associate and substitute teacher. As you see I love working with children.

Education is an important part of my family. I come from a family of several generations of teachers. My mom is a retired teacher from Midland Community Schools. My dad is also a retired Industrial Technology teacher. My sister is also a teacher at Lowden in the Pre-K. It has been very exciting working in their rooms.

Please feel free to e-mail [jregennitter@north-cedarstu.org](mailto:jregennitter@north-cedarstu.org) or call me at 1(563)432-6752. I am looking forward to fun exciting school year.

Sincerely,

Mrs. Jodie
