A graduation requirement for the State of Iowa is for all high school students to take a CPR course prior to graduation. All seniors must complete this course prior to graduation unless physically unable to do so with a physician note. This course is NOT a medical CPR course to work in healthcare or lifeguarding. A senior or high school student is exempt from this course if a past or current CPR card is available. Please bring your CPR card to the office so a copy can be made. Seniors who have not given the office a copy of their CPR card must attend this class. If you do not, you must attend another CPR course offered outside of school prior to graduation at your own expense. See Nurse Lee if any questions.
- FBLA underclassmen...officer application packets are due Wednesday, April 14 to Mrs. Koch. Mrs. Koch encourages and challenges all underclassmen to try out for an officer position.
