Students with last name Bishop-Lohrer will attend April 12 and students with last name Meier-Weber will attend April 13. A graduation requirement for the State of Iowa is for all high school students to take a CPR course prior to graduation. All seniors must complete this course prior to graduation unless physically unable to do so with a physician note. This course is NOT a medical CPR course to work in healthcare or lifeguarding. A senior or high school student is exempt from this course if a past or current CPR card is available. Please bring your CPR card to the office so a copy can be made. Seniors who have not given the office a copy of their CPR card must attend this class. If you do not, you must attend another CPR course offered outside of school prior to graduation at your own expense. See Nurse Lee if any questions.
