

2021-22 Senior Picture Information

1. All seniors will need to turn in **at least ONE** senior photo. The same pose can be used for the yearbook and the class composite.
 - a) **Yearbook** – portrait in senior section
 - b) **Class Composite** - this is for the large senior class picture that hangs in the school for each graduating class.
2. If different poses are desired, two photos can be turned in for the publications. (Please label on the back of each photo where you want it to appear – **do it lightly in pencil.**)

Senior Photo Requirements

IMPORTANT! All photos should meet the following requirements:

- a. billfold size (larger okay if you want picture scanned and returned)
- b. vertical poses only (**no horizontals!**)
- c. in color
- d. head and shoulder shots or head to waist shots – this is particularly important for the yearbook. (Please do not turn in full length, head to toe poses or close face poses that cut off the hair!)
- e. **NO hats or head coverings are allowed.** – *The Administration*

*Please check with your photography studio – many studios will send these photos directly to the high school, so that you don't have to be bothered with it. (Sometimes they may also do this upon request even if it is not their policy.) Please show these requirements to the photographer, and be sure the photographer has the high school address and the date photos are needed. Photos on CD from the studio are preferable.
