

North Cedar Elementary Boosters

North Cedar Elementary Boosters meet on December 13th, 2022 in the JR/Sr. Library. Stephanie VonBehren reviewed the minutes from the November meeting. Melissa Armstrong presented a Treasurer report and is working on completing a fund balance sheet.

Jenny Horman will send a thank you for the shirts that were donated for the winners of the Bundt cake fundraiser. She will have the winners sign the card also. She gave an update on the committee volunteers, and they are still looking for volunteers for the Fundraising, community events and school events committees.

The Giving tree was received well and the QR codes can be added to the send home calendars with students. A link can also be put on the Facebook page.

Discussion was held on hosting a father/daughter dance on February 11th. Jenny Horman and Nicki Welch will start organizing and planning the activity. March 25th is a possible date for a mother/son activity and a Walk-a-thon was tentatively set for May. Discussion was held on sponsoring a Cabin Fever day during the school day that could include activities for the students at the end of the semester.

Ashley Schroeder and Melissa Armstrong will organize snacks for elementary staff for January 6th. Budget of \$100 per building was approved.

Next meeting will be January 10th at 6 pm.
