May 7, 2024

Dear Business Owner,

Each year, North Cedar offers several Silver Cord Scholarships for graduating seniors who have participated in serving their community throughout high school. The Silver Cord program was created to encourage students to volunteer within their communities, both now and for a lifetime. The program continues to be recognized within our communities as an important part in making the North Cedar Community School District a wonderful place to live and work. Donations to this program have increased each year and we have been able to give \$26,000+ in scholarships.

This year we have had 28 of our 57 seniors participate in the volunteer program, with these participating students accumulating over 3,300 hours. In order to apply for the Silver Cord Scholarship, students must complete 140 hours of community service while in high school. This scholarship opportunity would not be available to North Cedar students without the generous support of local community businesses. The scholarship donations help raise vital funds for North Cedar that continue to encourage students to both participate in community service and continue their education beyond North Cedar High School.

If you are able to donate, please know the money is very much appreciated by the students and staff at North Cedar, as it will help fund a student's dreams for education after high school. If you are not able to donate at this time, we very much understand and hope you will consider in future years.

Please find a list of the donation categories below. If you are interested in donating to the scholarship fund, please complete the form and send a check made out to North Cedar Silver Cord Scholarship to:

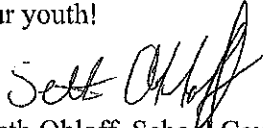

Seth Ohloff
400 Ball Street PO Box 310
Clarence, IA 52216

Thank you for taking the time to read this letter and any financial contribution you or your business may donate to this fund.
