tcarlson@north-cedarstu.org

Greetings from Mr. Carlson! I'm extremely excited to begin my 4th year as your Jr/Sr High School Principal! I've been busy working on plans for the 2025-2026 school year throughout the summer. I can't wait for students to be back in the building! We are bringing in a couple of new teachers this year: let's give them a warm welcome: Christina Schnede-Special Education, Brighton Rouse-Agriculture, Matt Miers-AD/At-Risk/PE. LET'S GO KNIGHTS!!!

Open House is scheduled for Thursday, August 21st

7th Grade Orientation/Building Tour 5:00-5:30 (begins in the Gymnasium)

7th-12th Grade Back to School Bash 5:30-7:00 (more information will be provided closer to the event night)

The buildings open from 5:00-7:00 for all students and parents to tour.

Stop in and join us for a back to school night filled with fun activities. The events will be sponsored by the NCHS Student Council.

Creating a positive school culture and learning climate for all students will continue to be a top priority at North Cedar Jr./Sr. High School. We will have professional development for staff members on this throughout the school year and continue to work to connect each student to North Cedar.

North Cedar Jr./Sr. High School uses **Powerschool** to update student information. Parents- you have access to check your child's grades and attendance at any point. We have revisited our Standards Based Grading scale and the new scale is available in the handbook. The hope is that this will make calculations much easier to understand for parents and students. If you need any help with using Powerschool, feel free to contact the office staff and they can assist you with this.

We will have access once again to **Xello** this school year. Your child will have access to a career exploration system that also allows them to explore many life after school opportunities, while also tracking their four year plans at North Cedar as well. More information regarding Xello will be released as the school year progresses.

North Cedar Community School District has a Facebook page. We will be using this page to post announcements, reminders, and general info about activities throughout the year. Just search North Cedar Community School District on Facebook to stay up-to-date on all things North Cedar related.

North Cedar Community School District also uses Remind for alerts about things that are coming up or happening at the school. If you have any questions about how to get signed up for Remind please contact Pam or Renae in the office.
